CERTIFICATE OF COMPLETION

PHASE 1: TRAINING

This is to acknowledge that

Michele Hann

has completed the

Infant and Early Childhood Mental Health Consultation Course

Competency-based consultation training from Attunify and Georgetown's Center of Excellence for IECMHC.

This certificate recognizes completion of Phase 1 training only. It does not confer certification as an Infant and Early Childhood Mental Health Consultant. Certification requires completion of the eight-month supervision phase and a review of attendance, participation, engagement, and demonstrated application of program content.
